

Monthly progress Report of October 2015

Operation of the School:

Every year we used to provide one month holiday for the students. But this year we deduct our holiday because of earthquake that occurs on 25th April, 2015. The school provides holiday from 13th to 26th October. Due to political situation in Nepal, caused by Indian government there was no school transportation and cooking gas. That's why we close school for three days.

Progress of the month:

This month preschoolers can read and write their name, mother name and father name. They love to help their teacher to decorate their classroom. They can take care of their belongings. In the morning they keep their books and belongings in their cupboard. They have their own cupboard with their name on it. They can recognize their name on it.

Mr. Subash Chaudhary , retired gentleman from USA visit our school . He spends some times with our children. He contributes some money for our school. He promises us that he will visit us again.

Teacher's performance Evaluation:

All the teachers were evaluated in monthly basis. We observe them in classroom, indoor and outdoor play area.

Special Programs:

1. Dashain Celebration
2. Mr. Subash Visit from USA
3. Movie time: Nepali movie "Hostel"
